MESSAGES FROM THE SENATE

A message from the Senate by
Ms. Hawker, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has adopted the following Senate Joint Resolution, in the adoption of which I am instructed to ask the concurrence of the House of Representatives, to-wit:

SENATE JOINT RESOLUTION NO. 13

WHEREAS, Social Security's income protections - guaranteed, lifelong benefits, cost-of-living adjustments to guard against inflation, increased benefits for families, greater income replacement for low-income workers, and disability and survivor benefits - are the backbone of retirement security and family protection in the United States; and

WHEREAS, Social Security provides crucial, often indispensable, income protection for the 47 million individuals - one of every six Americans - receiving benefits; and

WHEREAS, Social Security is the nation's most successful and most important family income protection program, but it has long-term funding needs we should address; and

WHEREAS, Some policymakers propose to address these needs by cutting guaranteed benefits and privatizing Social Security; that is, diverting a third or more of workers' payroll tax contributions out of the Social Security Trust Fund and into private investment accounts; and

WHEREAS, Privatization will worsen Social Security's funding needs by draining resources from the Trust Fund into private accounts, increasing the federal deficit by \$2 trillion over the first decade alone and more in the future, and putting us in deeper hock to foreign creditors; and

WHEREAS, Some officials and members of Congress have suggested the federal government will not pay back the money it has taken from the Social Security Trust Fund over the past 20 years and used for other things, thereby denying working families the money they paid into Social Security and leading to further benefit cuts; and

WHEREAS, Privatizing Social Security will cut guaranteed benefits by 30 percent for young workers, even for those who do not participate in private accounts, costing them \$152,000 over their retirements, denying them benefits they have earned and imperiling their economic security; and

WHEREAS, Cutting guaranteed benefits will hurt the elderly because Social Security is the only secure source of retirement income for most Americans, providing at least half the income of nearly two-thirds of older American households and lifting more than 11 million seniors out of poverty; and

WHEREAS, Cutting guaranteed benefits will hurt women and people of color, as they are more likely than white men to rely on Social Security for most of their retirement income, they earn less than white men and are thus less able to save for retirement, and they are less likely than white men to receive job-based pensions in retirement; and

WHEREAS, Diverting resources from Social Security to fund private accounts will threaten guaranteed survivor and disability benefits, thus harming working families - particularly African-Americans - as roughly one in five workers dies before retiring and nearly three in 10 become too disabled to work before reaching retirement age; and

WHEREAS, Privatizing Social Security will burden state and local governments, as cuts in guaranteed benefits will increase demands for public assistance at the very moment growth in the federal deficit due to privatization induces the federal government to shift greater responsibilities onto states and localities; and

WHEREAS, In addition to privatization, federal policymakers are now considering "Progressive Indexing" as a reform to address the future solvency of Social Security by slowing the growth of future Social Security benefits for middle-wage and high-wage workers; and

WHEREAS, Congress should not rush through drastic and damaging changes in Social Security that undermine its family income protections but, instead, should take the time needed to develop careful and thoughtful reforms that address Social Security's funding needs without slashing benefits or exploding the

deficit; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that Congress should first commit to paying back to the Social Security Trust Fund all of the money it borrowed and spent on other things; and be it further

RESOLVED, That Congress should carefully study a variety of potential changes that will address Social Security's problems while ensuring the program will continue to meet its purpose of providing income protection and economic security for America's families; and be it further

RESOLVED, That any changes adopted by Congress must strengthen Social Security's family income protections without slashing guaranteed benefits or exploding the deficit; and be it further

RESOLVED, That Congress should reject proposals to divert money out of Social Security to fund private accounts; and be it further

RESOLVED, That the Commission on Government Forecasting and Accountability conduct an actuarial study of "Progressive Indexing" and the effect this proposal could have on future State pension payments to middle-wage and high-wage employees who could see the growth of their Social Security benefits reduced by "Progressive Indexing" and report the results of its study to the General Assembly by January 1, 2006; and be it further

RESOLVED, That copies of this resolution be sent to the President pro tempore of the U.S. Senate, the Speaker of the U.S. House of Representatives, each member of the Illinois congressional delegation, and the Commission on Government Forecasting and Accountability.

Adopted by the Senate, May 20, 2005.

WHEREAS, The Blue Island Fire Department is celebrating its 125th anniversary; and

WHEREAS, On September 4, 1879, 17 men gathered with the purpose of organizing Blue Island's first municipal fire department; until this time, there were several loosely organized fire companies in the young community; the community of Blue Island was founded in 1834 and was an important stopping point for travelers using the famous Vincennes Trail; as the village grew, the need for fire protection became apparent; and

WHEREAS, Equipping the newly formed fire department was now the next order of business; it was 15 years before a horse-drawn apparatus was purchased; prior to that, the equipment was pulled by a large force of volunteers; this new fire apparatus was soon proven to be woefully inadequate, as a great fire destroyed three square blocks of homes and businesses; the great Blue Island fire of May 17, 1896, threatened the entire village; assistance from Morgan Park and West Pullman saved the day; and

WHEREAS, Steam powered engines served the fire department at the turn of the century; in 1916, the first motorized apparatus was purchased, but the department still held on to the horse-drawn apparatus for several more years; in 1922, the fire department hired its first full-time firefighters; modeled after the Chicago fire department, a two platoon system went into effect; the dark blue uniform shirt for firefighters was also borrowed from Chicago; and

WHEREAS, The fire department continued to serve the growing community; newer and more modern equipment was purchased to keep up with the changing face of the fire service; in 1934, the Blue Island fire department assisted Chicago with the stockyards fire; in 1960, a tragedy was avoided as the Lyric Theater was destroyed by fire; although the theater was filled with children enjoying a special Valentines Day show, the department's Chief calmly told them there would be a fire drill, and everyone was safely evacuated; and

WHEREAS, As the department approached its centennial, plans were made for a celebration; the second motorized fire engine ever purchased by the City of Blue Island was restored to working condition by the firefighters; Old Bess, as the 1924 Seagraves is known, has recently been the darling of the State Fair Twilight parade; and

WHEREAS, As the department moved into the 1980s and 1990s, changes included state of the art equipment, the first full-time female firefighter, more diverse, specialized services, and a new emphasis on public education; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we congratulate the Blue Island Fire Department on the occasion of its 125th anniversary; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Blue Island Fire Department as an expression of our respect and esteem.

WHEREAS, In its heyday, Cherry consisted of 125 company houses and 250 private homes and had a population of over 2500; and

WHEREAS, Disaster struck on November 13, 1909; hay that had been brought down to feed the mules stabled in the third level of the mine caught fire, and the quickly spreading fire resulted in the loss of 259 lives; on November 20, twenty-one men were found alive and rescued from the mine; no other miners were found alive, and when fire broke out again on November 25, a decision was made to seal the mine; on February 1, 1910, the mine was unsealed and the last of the bodies were removed; and

WHEREAS, The St. Paul Coal Company reopened the mine in the latter part of 1910 and developed and worked the third vein until 1927, when changes in the mining industry made the mine unprofitable to operate; and

WHEREAS, After closure of the mine, the company acres were sold and converted to farmland, and the population of the Village dwindled and has since stabilized at approximately 500 people; therefore, be it
